The Spiral Staircase My Climb Out of Darkness by Karen Armstrong

In *The Spiral Staircase*, Karen Armstrong writes about her decision to leave the life of a Roman Catholic nun and join the secular world in 1969. She grapples with the grief of her abandoned path and the uncertainty of her place in the world. All readers can glean inspiration from her insights into the nature of surrender and the possibilities of finding solace in the absence of hope. James Carroll describes the book as "a deeply moving account of a serious and large-hearted life. Armstrong writes with exquisite authenticity of one person relentlessly searching for the necessary self."

Copies of the book are available in the Guild Room.
