Team of Rivals: The Political Genius of Abraham Lincoln has been hailed as “endlessly absorbing ... a lovingly rendered and masterfully fashioned book.” In this “elegant, incisive study ... Goodwin has brilliantly described how Lincoln forged a team that preserved a nation and freed America from the curse of slavery.” Winner of the Pulitzer Prize, *Team of Rivals* “is one of the most compulsively readable books of history for a general audience to come along in a long time. An engagingly intimate look at Lincoln’s private life and public actions, the book convincingly brings to life this man who may have been the most extraordinary individual in American history.”
